

## Performance features

### MMC Multi Material Control electronics

"Multi Material Control" power electronics with constant adjustable speed and temperature monitor for work on all types of material.

### Starting current limiter

Simple start for household fuses.

### Standard connection for dust extractors

Standard connection for dust extractors.

### Electronic overload protection

Protects the motor with blocking tool.

### Electronic monitoring of the winding temperature

Electronic monitoring of the coil temperature protects against damage to the motor.

### Electro-dynamic run-down brake

The chainsaw will stop immediately once the speed controller is released.

### Guide system

Patented guide system for safe guidance of saws and router bits.
