

Performance features

Plug it

Removable, replaceable mains cable with safety lock for quick conversion.

CLEANTEC

Standard connection (27/36/50 mm) for dust extraction, protects the operator and the environment.

MMC digital electronics

Processor controlled "Multi Material Control" power electronics provide adjustable and constant speeds as well as temperature monitoring for work on all types of material.

Antistatic function

Mobile dust extractors and tools with the antistatic function to prevent static charge from accumulating when working.

FastFix

Makes changing routing, sawing, planing, sanding, drilling and screwdriving tools easier.
